1. **Sweat Drops of Blood** - in the Garden he bled that God's will would be done not ours. He bled for our wills to be made perfect.

2. **The Whipping Post** - By his stripes we are healed—for our health.

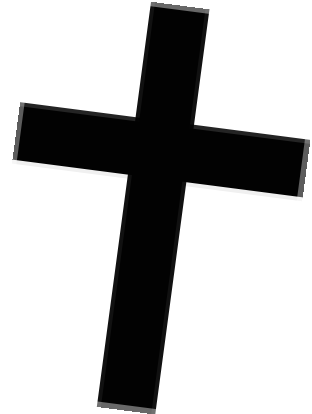

3. **The Crown of Thorns** - For you health and prosperity, and for your mind and thoughts, the blood of Christ covers you.

4. **The Spikes in His Hands** - For what you do and what you put your hands to, the blood of Christ atones for you.

5. **The Nails in His Feet** - Where you walk and where you go, the Lord has bled for you. May you walk in His ways.

6. **The Spear into His Heart** - For our joy and our redemption, to redeem us and save. Jesus bled from his heart because he had a heart. Because he did this, we are saved. We are redeemed and made happy.

7. **His Internal Bruising (blood and water flowed)** - For our innermost being, all our thoughts and all our feelings, the blood of Christ flowed for us.

*Jesus reached out his hand and touched the man,
"I am willing," he said "Be clean."
Matthew 8:3*

Word from the Pastor:

We have talked a lot the last few weeks about listening to the Lord. This is because it's not only very important but it's also what the Lord is saying to us at this time. It's kind of funny that as we listen to Him, we hear him say to listen to Him. We must develop a habit of listening so that we are able to always hear Him and know what it is He is saying and wanting from us.

Also, we need to be praying for the upcoming election. There are many people both godly and godless running in this campaign. We don't want godless people running our country.

Chaplaincy Funding in Danger:

With a change in Prime Minister, and an election due, please consider writing your local MP and reminding them of how important chaplaincy is. The Labor Party have indicated they may not continue to support chaplaincy into the future. You can email your local MP from this website: www.support.schoolchaplaincy.org.au

Prayer Meetings:

Mid week prayer meetings resume on August 11.

Job Vacancy in Mt Morgan:

Sue Ackerly requested that information be made available about a job vacancy in Mt Morgan for local health co-ordinators. This is a ten hours a week job - more at: www.cqrdgp.com.au

Interesting Churches of the World:

Left is the Basilica of Huguéy in the Dominican Republic, in the Caribbean region of the world.

At the **Right** is the Cathedral of Rio de Janeiro in Brazil. It is shaped like a giant Pyramid and inside the whole ceiling is stained glass. You can see two shots of both the inside and the outside of the Cathedral.
